Mrs. A. T. Comer,
45 East 64th St.,
Savannah, Ga.

My dear Mrs. Comer:

A year or two ago I had quite a lot of correspondence with Charles H. Collier, of Richmond, Virginia, who belongs to the descendants of Isaac Collier who came into Virginia from England back in the 16th Century, and it is my understanding that he has moved from Richmond and has gone to some place in Florida. If you are now in touch with him, I would appreciate it very much if you would give me his address.

I am a descendant of Vines Collier, who came into Georgia in 1780, and who was a son of the second Isaac Collier of Virginia and a grandson of the Issac that came from England.

With my usual kind regards, I remain

Yours most respectfully,

JCC:S
